

We offer care products for all our furniture, which are effective and easy to use. A maintenance regime, once or twice a year will keep your furniture in prime condition. You can purchase our Care Products from your local Barlow Tyrie Stockist.

Teak Stain Guard

Product Code 4TSG Teak Stain Guard forms an invisible layer to protect your teak from everyday stains such as butter, oil and red wine making the cleaning of accidental spills an easy task. Supplied with its own special applicator pad.

Instructions For Use

- Before using the Teak Stain Guard, eye protection and rubber gloves should be worn. Cover the ground under your work area before starting.
- Before using the Teak Stain Guard on new teak, put the furniture outside to weather for a week.
- Before using the Teak Stain Guard on dark grey teak, clean the wood with our Teak Cleaner (product code: 4TC). If cleaned wood feels rough, sand lightly before treating with Stain Guard.

- Make sure the teak is 100% dry and free of dust.
- Shake for at least one minute before use. Apply a thin layer of Teak Stain Guard with a soft cloth.
- Allow to dry for four hours and then apply a second thin coat of Teak Stain Guard. Let the teak dry for 48 hours before exposure to moisture.
- It is recommended that you treat your teak furniture with Teak Stain Guard a few times per year. Tabletops should be treated more often.
